Restructuring of the management team and appointment to the position of General Manager

Louis-Joseph Beaudoin, president and founder of Beaudoin Canada, is pleased to announce the appointment of Julien T.-Lessard, Eng. M.Eng. as Executive Vice President (VP) and Marco Vaillancourt, CPA, CGA as General Manager (GM).

These appointments are a continuation of the growth actions of the National Capital Region's construction management company. In addition to these appointments, Beaudoin Canada has undertaken a restructuring of its management team over the past few months. Here are the details:

- Louis-Joseph Beaudoin: President and Founder
- Julien T.-Lessard, Eng. M.Eng.: Executive VP
- Marco Vaillancourt, CPA, CGA: General Manager
- Martin Beaudoin, Eng: VP Operations Quebec
- Denis Stocker: VP Operations Ontario
- Vanessa Sá, CPA, CMA: Director of Finance
- Karine Vachon: Director of Development
- Julie Hudon: Office Manager

With nearly 70 employees, the company is now located at 95 Boulevard de la Technologie. "We have taken a new step in the development of our company and have decided that it was time to move to premises better adapted to our needs, but above all capable of supporting our desire for growth," explains Julien T.-Lessard. In addition, several available positions are posted on the website.

Changes to ensure innovation in construction

Marco Vaillancourt, the new GM, has officially joined Beaudoin Canada after 25 years as general manager and partner at the Raymond Group.

An accountant by training, he joins the management team with a strong background. "His deep knowledge of the construction industry is an undeniable asset to the company. Having known Marco personally for many years, I am very happy to be able to count him among our great family," says Louis-Joseph Beaudoin.

In his role, he will ensure synergy between the three main departments of the company: finance, development, and operations.
